Lift Off! holiday club and light party

On Monday and Tuesday we had 19 youngsters here at St Andrew's for the Lift Off! holiday club together with 6 or 7 adults. The theme of the holiday club was how Jesus calls everyone irrespective of race or anything else.

On Wednesday we had another 19 youngsters accompanied by parents for the light party, together with 8 helpers. The theme of the light party was - er - light, because this event is aimed as a counter-balance to the Hallowe'en emphasis on darkness.

Many thanks to everyone who helped with these events.

Refresh!

Our next Refresh! day will be on Saturday 17th November from 10:00am until 3:30pm at Cheslyn House. The day will focus on the film 'Babette's Feast'.

I'm told this film is a favourite of both Rowan Williams and Pope Francis. It is certainly a favourite of mine.

The tale speaks of undeserved and unrequested generosity, and can be viewed as a parable of the character of God, amongst other things.

Refresh! will be a feast for body, mind and soul as we reflect upon the film, enjoy simple food in good company, and spend time in the lovely gardens.

Please let Don know that you are coming! Ian.
